Lenovo® recommends Windows Vista® Business.

THE LENOVO® THINKCENTRE® A57E DESKTOP

EMPOWER YOUR BUSINESS WITH AN AFFORDABLE, HASSLE-FREE DESKTOP

The ThinkCentre® A57e lets you take care of your business with the latest technology for an attractive price. Moreover, it delivers a low acquisition cost while still supporting the basic core functions that mean the most to you. The ThinkCentre® A57e has enough performance to give you quality assurance, productivity, fuss-free hardware repair/replacement, energy-efficiency and security assurance.

ENGINEERED FOR DEPENDABILITY

- Continues ThinkCentre's heritage of rock-solid quality
  - Engineered through more than 2,000 rigorous testing processes including enhanced early-life performance, electronic static discharge, volt shots, emissions and acoustics, shock, vibration and drops
  - International quality standards and certification
  - Inherits ThinkCentre's ease-of-use design
  - Stainless steel chassis for durability
- Unconventional and passive heat management mechanical design for cooler operation
- Work smoothly under unstable power voltage
  - Anti-surge 4Kv LAN design
- Improve durability for frequent plug and play
  - Enhanced Electronic Static Discharge (ESD) protection, up to 8Kv, on both audio and USB

ENGINEERED FOR CONVENIENCE

- Supported with industry-leading, award-winning global service and support
- Latest ThinkVantage® Technologies suite
  - Rescue and Recovery™ with Express Repair for recovering many system issues in 2-3 minutes
  - System Update™ automatically downloads latest updates over the Internet
- Higher security based on BIOS level
  - Manage the on and off status of I/O ports, including USB, COM, Audio, Serial and SATA ports (gain more control over ports and devices and prevent data leakage and penetration via I/O ports)
- Chassis lock and Kensington lock

ENGINEERED FOR PRODUCTIVITY

- Secures a functional PC at a competitive price
  - Support 667MHz memory up to 2GB, up to 320GB hard disk
- 2 SATA to support SATA Optical Disk Drive, including DVD recordable
- Windows Vista®/Microsoft® Office (Trial)/Adobe® Reader preloaded for daily business use
- Latest Intel® Atom™ CPU perfect for computer starters
  - Compact and fundamental, yet powerful
  - Well suited for Intel's amazingly small piece of silicon
